The extension of this agreement will remain in effect retroactively for a period of three years as set out in the aforementioned article (March 2026 – March 2029). It will be automatically renewed for a three (3) year term if there are no objections from either Party. Either Party may terminate this Agreement before the end of the extension or before the end of an automatically renewed term of 3 years by giving six months prior notice to the other Party. However, the termination of this Agreement shall not prejudice the academic programme of exchange students already in place before the written notice has been given.

The exchange programme between the two institutions remains governed by the original agreement.
